

Audit and Accounting Professional Team

Auditing and accounting is the backbone of Chortek's service offerings. Since 1947, we have been providing accounting services to a diverse base of businesses, non-profit organizations and governmental agencies. Many of our clients, from generation to generation, remain with us today.

Every engagement is conducted with the utmost of integrity and confidentiality. As a value added service, we benchmark our client's data against their peers and industry trends to provide context of their performance now, and into the future.

Senior Engagement Team Members

GREG JUNEK, CPA | MANAGING PARTNER

Greg has been the Managing Partner of Chortek LLP since 2005. While primarily responsible for the management and overall direction of the firm, he continues to maintain client responsibility. Greg uses his accounting, tax and consulting experience to address a wide variety of financial issues facing closely held clients of the firm, especially those clients in the manufacturing and wholesale/distribution industries.

TROY CAMPBELL, CPA | PRINCIPAL

Troy works with privately-held companies in the manufacturing, distribution and construction industries. He manages audit, review and compilation engagements along with providing accounting, business consulting and CFO/controller services. Many clients consider Troy their 'outsourced CFO'. Troy is continuously looking for ways to improve clients' bottom line through process improvements, costing and financial analysis and budget development.
