Sage Mobility for Warehouse Automation

Kristen Baumgartner – Scanco Software Specialist

About Us

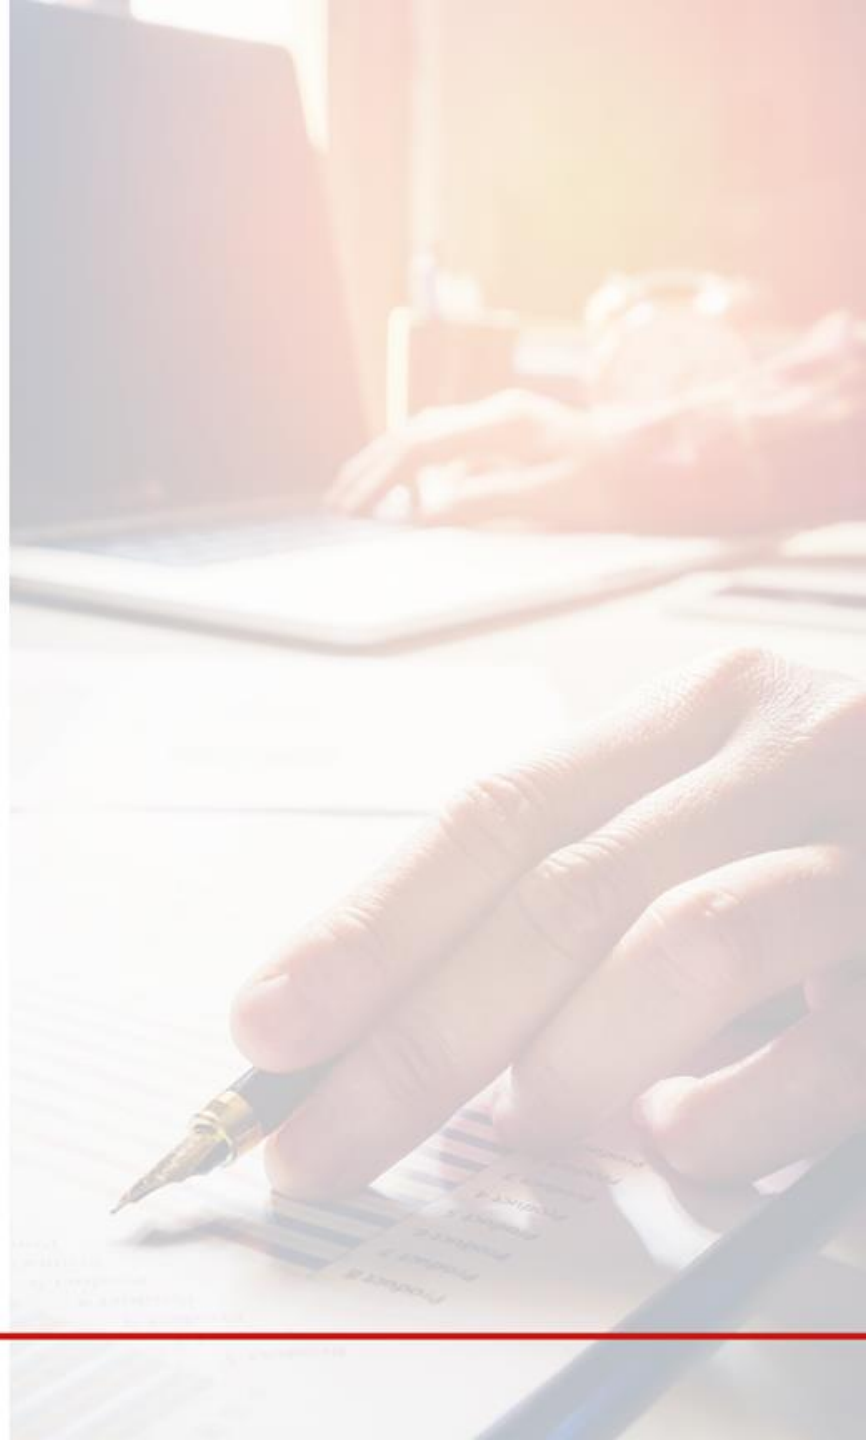
WAREHOUSE MANAGEMENT & MANUFACTURING AUTOMATION SOLUTIONS

Since 1989, Scanco has been a leading provider of supply chain automation software and services. Since our inception, we have focused on innovative warehouse management solutions with a unique technology-driven approach. Our solutions deliver unequaled efficiency and visibility for distribution and manufacturing companies around the globe.

From basic barcoding to the most complex distribution and manufacturing operations- Scanco software is positioned to grow with our customers ever changing business needs. We are focused on providing top-tier, fully integrated automation solutions built specifically for your ERP solution. Today, thousands of world-class distribution and manufacturing companies have automated their facilities with cutting-edge Scanco technology.

Agenda

- Why Automate?
- What is Mobility for Barcode?
- A Day in the Life of Inventory
- Questions & Answers
- How to Get More Information



Why Automate?

- Control Incoming & Outgoing Products
